¹ Bradford and Grimsby location are one legal entity and operate a common management system. They hold two distinct SEDEX certificates.

² Toluca plant was added to the Solenis portfolio as part of the Poliquimicos acquisition (July 2020). This plant will be added into our certification process in the future.

✓ Certification achieved, certificate is available on solenis.com

✦ Certification in progress for FY21

Certification status as of September 30, 2020
