✓ Certification achieved, certificate is available on solenis.com

✦ Certification foreseen for FY2023

Certification status as of September 30, 2022, excluding the Addyston, Ohio, United States, manufacturing site due to its operational nature

<sup>1</sup> Bradford & Grimsby locations are one legal entity and operate under a common management system. They are, however, holding two distinct SEDEX certificates.

<sup>2</sup> Plants added to the Solenis portfolio and will be added into our certification process in the coming years.
